Facilities & Services Enhancement

As part of our commitment to upgrade facilities and service enhancements, [The Empire Hotels & Resorts](#) has commissioned the internationally-acclaimed interior architect, Koichiro Ikebuchi who is widely praised for his contemporary and elegant designs to create a new Hotel Lobby in the [Empire Hotel Hong Kong • Wan Chai](#).

The Osaka-born Singapore-based designer has been named Designer of the Year 2009 in Singapore, and is the chief interior architect responsible for the chic and classy design of another [Empire Hotel in Causeway Bay](#) in Hong Kong opened in 2009.

Consistent with Ikebuchi's style, the new-look lobby in the Empire Hotel Hong Kong • Wan Chai will embrace elegance and oriental sophistication with an emphasis on naturalistic and cultural aesthetics.

Renovation to the Hotel Lobby will be carried out from 1st May to 31st August 2010.
